MOTION: After discussion, Mr. Chenoweth voted to accept the proposed language. The motion was seconded by Dr. Pabian and carried 2/2. Dr. Petraglia and Dr. Tasso opposed. Motion failed.

The Board advised board staff to interpret the Rule based on statute and advised board staff to no longer close complete application files due to no statutory authority.

The Board opened the Rule up for consideration.

MOTION: After discussion, Mr. Chenoweth voted to accept the proposed language. The motion was seconded by Dr. Pabian and carried 4/0.

MOTION: Mr. Chenoweth made a motion to find the proposed revisions will not be likely to directly or indirectly increase regulatory costs to any entity (including government) in excess of $200,000 in the aggregate in Florida within 1 year after the implementation of the rule. The Motion was seconded by Dr. Petraglia and carried 4/0.

2. 64B17-3.002 Licensure Examination and Passing Score; Laws and Rules Examination; Additional Requirements After Third Failure (New Title).

Board Counsel proposed changes to the last sentence in 64B17-3.002(1) to clarify that the existing requirement that “applicants for licensure by examination must have obtained a passing score on the NPTE examination within five (5) years immediately prior to the filing of the application” does not apply to all applicants, but rather only to applicants who have previously taken the exam.

And

Board Counsel proposed clarification of (4)(a) to more clearly state that when an applicant has failed the exam and wishes to retake the exam, that person must apply to retake the exam (clarifying that this is not a reapplication for licensure).

Proposed changes for subsection (1):

(1) The licensure examination for physical therapists shall be the National Physical Therapy Examination (NPTE) for Physical Therapists developed by the Federation of State Boards of Physical Therapy (FSBPT). The licensure examination for physical therapist assistants shall be the National Physical Therapy Examination for Physical Therapist Assistants developed by the FSBPT. An applicant for licensure by examination who has previously taken the NPTE examination must have obtained a passing score on the NPTE examination within the five (5) years immediately prior to the filing of the application for licensure.

Proposed changes for subsection (4):

(4) Examination retakes.

(a) In order to retake either the NPTE or the Florida Laws and Rules Examination, an applicant must ~~re~~apply to retake the exam, using DOH Form #DH-MQA 1143, Re-Exam Application, Revised 11/15, incorporated by reference, which is available through http://www.flrules.org/Gateway/reference.asp? No= or www.floridasphysicaltherapy.gov/resources.

An applicant for licensure by examination must have obtained a passing score on the NPTE examination within the five (5) years immediately prior to the filing of the application.

(a) Passing scores on the NPTE and Florida Laws and Rules Examination are determined by the FSBPT. In determining whether an applicant has received a passing score, the Board will use the information contained in the applicant's FSBPT Score Report.

(b) In cases where an applicant's Score Report does not state "pass" or "fail," the Board will deem an applicant to have passed the examination if the applicant's raw scaled score is not less than one point five (1.5) standard deviations below the national average for that examination offering.

As part of a final order imposing appropriate penalties, the board shall consider requiring an applicant or licensee to attend board meetings, perform community service, take described continuing education courses, or take and pass the applicable jurisprudence examination. The identification of offenses are descriptive only; the full language of each statutory provision cited must be considered in order to determine the conduct included.

9. Revised Delegation of Authority

At the August 2016 meeting Board staff was requested to add delegations related to the appointment of Probable Cause Panel members.

A revised delegation was provided for the Boards review and comment.

MOTION: After discussion Dr. Petraglia voted to accept the proposed delegation. The motion was seconded by Dr. Tasso and carried 4/0.

10. 2016 Board Chairs, Healthiest Weight and Budget Liaison Meetings

The Boards Chairs/Vice-Chairs, Healthiest Weight and Budget Liaison meetings were held on September 27-28 in Tallahassee.

Dr. Tasso provided highlights from the Healthiest Weight Liaison meeting.

11. USCIS Intent to deny FCCPT's Authorization

The Foreign Credentialing Commission on Physical Therapy (FCCPT) is one of two agencies authorized by the federal government to issue healthcare worker certificates to those who have graduated from a non- CAPTE accredited program overseas and who are seeking employment in this country via an H1B visa.

The authority granted by the United States Citizenship and Immigration Services (USCIS) to FCCPT to perform evaluations for the purpose of granting healthcare worker certifications is at risk.

During the September 12, 2016 webinar conducted by the FSBPT, it was confirmed that credential evaluations for the purpose of licensure will not be impacted due to the loss of accreditation. Rule 64B17-3.001, F.A.C., specifies the criteria for credentialing agencies and the loss of FCCPTs ability to grant healthcare worker certifications will not impact board operations.

12. FSBPT Updates

- **Steve Chenoweth**

During the August 2016 meeting, Mr. Chenoweth requested that an FSBPT tab be placed on each agenda, in order for the Board and board staff to provide any updates from the Federation.

Mr. Chenoweth recently discussed the Alternant Pathway with Susan Layton and Mark Lane. He inquired with board staff is this method of applying would benefit board staff and their processes.

- **NPTE Eligibility Changes**

During the February 12, 2015 meeting the Board discussed changes to the National Physical Therapy Exam (NPTE) eligibility requirements and how these changes would be implemented. The Board has no statutory authority to require these changes and the nature of some of the requirements make a legislative fix unlikely.

- Low score limit – Candidates who receive two (2) very low scores in the exam will not be allowed to test again. A very low score is defined as performing at or close to chance level (scaled scores 400 and below). Effective January 1, 2016. No Florida applicants have yet been impacted.

- Lifetime limit – Candidates will be able to take the exam a maximum of six (6) times. An individual can take the NPTE for a physical therapist six times and also take the NPTE for a physical therapist assistant six times if he or she is otherwise qualified to do so. Effective January 1, 2016.

- The two remaining eligibility requirements, English language proficiency (TOEFL) and determination of substantial equivalence using the FSBPT coursework tool for all non-CAPTE graduates, including non-CAPTE PTA graduates. Effective January 1, 2017.

- **Coursework Tool 6**

FSBPT's Coursework Tool for Foreign Educated Physical Therapists (CWT) is used by credentialing agencies to compare foreign educated PT coursework with CAPTE-accredited PT program coursework in order to determine substantial equivalence.

When the Commission on Accreditation in Physical Therapy Education (CAPTE) updates its PT or PTA educational standards, FSBPT develops a new CWT. Each version of the CWT is developed, standardized, validated and overseen by FSBPT.

Provided to the Board was an overview of the new CWT 6. This CWT will take effect January 1, 2017.

13. Annual Financial Reports

This was provided for information purposes only.

OLD BUISNESS

14. Licensure Compact

The purpose of the FSBPT Licensure Compact is to facilitate interstate practice of physical therapy with the goal of improving public access to physical therapy services. The practice of physical therapy occurs in the state where the patient/client is located at the time of the patient/client encounter. The Compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure. The Compact can only be adopted through legislative change.

The Board discussed the Licensure Compact at the August 4, 2016 meeting and determined further investigation into the Compact would be needed. Provided for review was the Licensure Compact Language, Milestones, Current Status of the Compact, and Florida DOH Questions and Answers.

Jamie Dyson from the FPTA addressed the Board and confirmed FPTA's interest in pursuing the licensure compact.

Dr. Petraglia and Dr. Tasso discussed the downsides to the licensure compact.

After full discussion, the Board stated that they are in favor of the Compact.

15. Anti-Trust

During the August 4, 2016 meeting, the Board requested additional discussion regarding antitrust due to the possibility of Federal legislation addressing the issue.

The board office has received notification from the Federation of State Boards of Physical Therapy (FSBPT) that a State Licensing Board Antitrust Act has been drafted to add state licensing boards to The Local Government Antitrust Act (LDAA) of 1984. The draft language was provided for review.

Dr. Tasso inquired if the legislative language was moving forward.

Ms. Norr provided an overview of the process and status of the language.

16. CAPTE Accreditation Legislation

The Chair, in response to a request, approved a discussion to consider recent legislation that amended 456.102, F.S., reinstating the Commission on Accreditation in Physical Therapy Education (CAPTE) accreditation requirement for physical therapist assistants. Concerns have been raised about students enrolled in non-CAPTE programs that did not graduate prior to the effective date of the legislation.

A subsequent letter to the Governor, addressing this issue, was provided for review.

The Board discussed the issue and again indicated concern for these individuals but noted that they do not have authority to grandfather nor do they have any input or

influence over the Federal loan process. The Board delegated Dr. Pabian to draft a response to the letter.

Dr. Petraglia stated that the Board has been lenient and fair to these students and has made all efforts to accommodate these students in the situation presented.

17. Oath Requirement

In August, the Board directed proposed legislation to be submitted to the Department for consideration in any Departmental legislative package. After submission, the assessment was that the legislative change is not needed and the case JSL v. Levy 994 So 2d 394 (2008) was provided to support the determination. Therefore, the legislative changes will not be moving forward with the Department.

Suggested changes to form DH-MQA 1142, Applicant Statement, to include new "oath" language for the fourth paragraph was provided:

> Under penalties of perjury, I declare that I have read the foregoing document, and the evidence presented herein for the purpose of demonstrating, to the satisfaction of the board, that I possess the qualifications preliminary to examination required by sections 486.041 and 486.103, or that I possess licensure in another state, the District of Columbia, or a territory as required by section 486.107, Florida Statutes, is true

The following Chapter 486 statutes require an oath:

(1) The board may cause a license to be issued through the department without examination to any applicant who presents evidence to the board, under oath, of licensure in another state, the District of Columbia, or a territory, if the standards for registering as a physical therapist assistant or licensing of a physical therapist assistant, as the case may be, in such other state are determined by the board to be as high as those of this state, as established by rules adopted pursuant to this chapter. Any person who holds a license pursuant to this section may use the words "physical therapist assistant," or the letters "P.T.A.," in connection with her or his name to denote licensure hereunder.
(2) At the time of making application for licensing without examination pursuant to the terms of this section, the applicant shall pay to the department a fee not to exceed $175 as fixed by the board, no part of which will be returned.
