

# Remedial Information

If a candidate fails the NPTE three times, completion of a remedial course is required per Section 486.051, Florida Statutes. It is recommended that the candidate request an Examination Performance Feedback Report from the Federation of State Boards of Physical Therapy (FSBPT) to clarify the candidate's area(s) of weakness. The remedial course should focus on the feedback report findings.

Please note the Florida Board of Physical Therapy does not approve remedial providers or courses. The Board only maintains a list of known courses. If you are a remedial provider and wish to have your course listed, please email [info@floridaspysicaltherapy.gov](mailto:info@floridaspysicaltherapy.gov).
