## **2. RULE 64B17-3.002 Licensure Examination and Passing Score; Laws and Rules Examination; Additional Requirements After Third Failure (New Title).**

Board Counsel proposes changes to the last sentence in 64B17-3.002(1) to clarify that the existing requirement that “applicants for licensure by examination must have obtained a passing score on the NPTE examination within five (5) years immediately prior to the filing of the application” does not apply to all applicants, but rather only to applicants who have previously taken the exam.

And

Board Counsel proposes clarification of (4)(a) to more clearly state that when an applicant has failed the exam and wishes to retake the exam, that person must apply to retake the exam (clarifying that this is not a reapplication for licensure).

Proposed changes for subsection (1):

(1) The licensure examination for physical therapists shall be the National Physical Therapy Examination (NPTE) for Physical Therapists developed by the Federation of State Boards of Physical Therapy (FSBPT). The licensure examination for physical therapist assistants shall be the National Physical Therapy Examination for Physical Therapist Assistants developed by the FSBPT. An applicant for licensure by examination who has previously taken the NPTE examination must have obtained a passing score on the NPTE examination within the five (5) years immediately prior to the filing of the application for licensure.

(4) Examination retakes.

(a) In order to retake either the NPTE or the Florida Laws and Rules Examination, an applicant must reapply to retake the exam, using DOH Form #DH-MQA 1143, Re-Exam Application, Revised 11/15, incorporated by reference, which is available through <http://www.flrules.org/Gateway/reference.asp>? No= or [www.floridaphysicaltherapy.gov/resources](http://www.floridaphysicaltherapy.gov/resources).

Full rule language as previously approved by the Board:

An applicant for licensure by examination must have obtained a passing score on the NPTE examination within the five (5) years immediately prior to the filing of the application.

~~(2) Florida Laws and Rules Examination.~~

~~(a)(4) All applicants for licensure including those seeking licensure without examination licensed (by endorsement) under Rule 64B17-3.003, F.A.C., are required to take and pass the Florida Laws and Rules Examination developed by the FSBPT Federation of State Boards of Physical Therapy. ~~(3) Passing Scores.~~

The Boards Chairs/Vice-Chairs, Healthiest Weight and Budget Liaison meetings were held on September 27-28 in Tallahassee.

Attendees were invited to highlight or discuss any topics they wish.

Dr. Tasso provided highlights of the Healthiest Weight Liaison meeting.

#### **11. USCIS Intent to deny FCCPT's Authorization**

The Foreign Credentialing Commission on Physical Therapy (FCCPT) is one of two agencies authorized by the federal government to issue healthcare worker certificates to those who have graduated from a non- CAPTE accredited program overseas and who are seeking employment in this country via an H1B visa.

The authority granted by the United States Citizenship and Immigration Services (USCIS) to FCCPT to perform evaluations for the purpose of granting healthcare worker certifications is at risk.

During the September 12, 2016 webinar conducted by the FSBPT, it was confirmed that credential evaluations for the purpose of licensure will not be impacted due to the loss of accreditation. Rule 64B17-3.001, F.A.C., specifies the criteria for credentialing agencies and the loss of FCCPTs ability to grant healthcare worker certifications will not impact board operations.

## **12. FSBPT Updates**

- **Steve Chenoweth**

Mr. Chenoweth has reached out to the FSBPT and requested they provide the Board with any current or future changes to be implemented. Mr. Chenoweth will provide a brief overview of the discussion.

Mr. Chenoweth spoke with Mark Lane and Susan Layton. He inquired if Board staff would benefit from the Alternate Pathway.

- **NPTE Eligibility Changes**

During the February 12, 2015 meeting the Board discussed changes to the National Physical Therapy Exam (NPTE) eligibility requirements and how these changes would be implemented. The Board has no statutory authority to require these changes and the nature of some of the requirements make a legislative fix unlikely.

- Low score limit – Candidates who receive two (2) very low scores in the exam will not be allowed to test again. A very low score is defined as performing at or close to chance level (scaled scores 400 and below). Effective January 1, 2016. No Florida applicants have yet been impacted.
- Lifetime limit – Candidates will be able to take the exam a maximum of six (6) times. An individual can take the NPTE for a physical therapist six times and also take the NPTE for a physical therapist assistant six times if he or she is otherwise qualified to do so. Effective January 1, 2016.
- The two remaining eligibility requirements, English language proficiency (TOEFL) and determination of substantial equivalence using the FSBPT coursework tool for all non-CAPTE graduates, including non-CAPTE PTA graduates. Effective January 1, 2017.

- **Coursework Tool 6**

FSBPT's Coursework Tool for Foreign Educated Physical Therapists (CWT) is used by credentialing agencies to compare foreign educated PT coursework with CAPTE-accredited PT program coursework in order to determine substantial equivalence.

When the Commission on Accreditation in Physical Therapy Education (CAPTE) updates its PT or PTA educational standards, FSBPT develops a new CWT. Each version of the CWT is developed, standardized, validated and overseen by FSBPT.

Provided to the Board was an overview of the new CWT 6. This CWT will take effect January 1, 2017.

### **13. Annual Financial Reports**

This was provided for information purposes only.

## **OLD BUISNESS**

### **14. Licensure Compact**

The purpose of the FSBPT Licensure Compact is to facilitate interstate practice of physical therapy with the goal of improving public access to physical therapy services. The practice of physical therapy occurs in the state where the patient/client is located at the time of the patient/client encounter. The Compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure. The Compact can only be adopted through legislative change.

The Board discussed the Licensure Compact at the August 4, 2016 meeting and determined further investigation into the Compact would be needed. Provided for review was the Licensure Compact Language, Milestones, Current Status of the Compact, and Florida DOH Questions and Answers.

Jamie Dyson from the FPTA addressed the Board and confirmed FPTA's interest in pursuing the licensure compact.

Dr. Petraglia and Dr. Tasso discussed the downsides to the licensure compact.

After full discussion, the Board stated that they are in favor of the Compact.

### **15. Anti-Trust**

During the August 4, 2016 meeting, the Board requested additional discussion regarding antitrust due to the possibility of Federal legislation addressing the issue.

The board office has received notification from the Federation of State Boards of Physical Therapy (FSBPT) that a State Licensing Board Antitrust Act has been drafted to add state licensing boards to The Local Government Antitrust Act (LDAA) of 1984. The draft language was provided for review.

Dr. Tasso inquired if the legislative language was moving forward.

Ms. Norr provided an overview of the process and status of the language.

## 16. CAPTE Accreditation Legislation

The Chair, in response to a request, approved a discussion to consider recent legislation that amended 456.102, F.S., reinstating the Commission on Accreditation in Physical Therapy Education (CAPTE) accreditation requirement for physical therapist assistants. Concerns have been raised about students enrolled in non-CAPTE programs that did not graduate prior to the effective date of the legislation.

A subsequent letter to the Governor, addressing this issue, was provided for review.

Dr. Petraglia stated she understands and appreciates the concerns addressed by Senator Garcia, she reiterated the Board has no statutory authority to address Senator Garcia's concerns. Dr. Petraglia confirmed that the Board has no authority to grant loan forgiveness.

Dr. Petraglia stated that the Board has been lenient and fair to these students and the Board has made effort to accommodate these students in the situation presented.

## 17. Oath Requirement

In August, the Board directed proposed legislation to be submitted to the Department for consideration in any Departmental legislative package. After submission, the assessment was that the legislative change is not needed and the case JSL v. Levy 994 So 2d 394 (2008) was provided to support the determination. Therefore, the legislative changes will not be moving forward with the Department.

Suggested changes to form DH-MQA 1142, Applicant Statement, to include new "oath" language for the fourth paragraph:

Under penalties of perjury, I declare that I have read the foregoing document, and the evidence presented herein for the purpose of demonstrating, to the satisfaction of the board, that I possess the qualifications preliminary to examination required by sections 486.041 and 486.103, or that I possess licensure in another state, the District of Columbia, or a territory as required by section 486.107, Florida Statutes, is true

The following Chapter 486 statutes require an oath:

**486.041 Physical therapist; application for license; fee.**—A person who desires to be licensed as a physical therapist shall apply to the department in writing on a form furnished by the department. She or he shall embody in that application evidence under oath, satisfactory to the board, of possession of the qualifications preliminary to examination required by s. 486.031. The applicant shall pay to the department at the time of filing the application a fee not to exceed \$100, as fixed by the board.
