Ms. Dwyer has failed the NPTE exam five times, passing on the sixth attempt. Per Rule 64B17-3.003, F.A.C:

“An applicant who has failed to pass the National Physical Therapy Examination for Physical Therapists by or on the fifth attempt, regardless of the jurisdiction through which the examination was taken, is precluded from licensure.”

Per Section 486.051, Florida Statutes:

“486.051 Physical therapist; examination of applicant.—The examinations of an applicant for licensing as a physical therapist shall be in accordance with rules adopted by the board, to test the applicant’s qualifications and shall include the taking of a test by the applicant. If an applicant fails to pass the examination in three attempts, the applicant shall not be eligible for reexamination unless she or he completes additional educational or training requirements prescribed by the board. An applicant who has completed the additional educational or training requirements prescribed by the board may take the examination on two more occasions. If the applicant has failed to pass the examination after five attempts, she or he is no longer eligible to take the examination.”

MOTION: After discussion, Mr. Lohr made a motion to deny the application for licensure as she does not meet the requirements set forth in Rule 64B17-3.003, F.A.C. and Section 486.051, F.S. The motion was seconded by Dr. Petraglia and carried 5/0.

Tab 23 Request Letter

The board office received a request from Ernesto Hernandez, a potential foreign trained applicant, asking for the Board to allow him to send his education documents directly to the Foreign Credentialing Commission on Physical Therapy (FCCPT). He states he is unable to obtain his education documents from Cuba due to leaving the country on Political Asylum.

MOTION: After discussion, Dr. Petraglia made a motion to accept the request and allow him to send the documents to FCCPT. The motion was seconded by Ms. Acuna-Parker and carried 5/0.

Being no further business, the meeting adjourned at 10:35 a.m.
