14. Staff Recognition

This was provided for information purposes only.

At this time the Board continued their discussion regarding drafting rule language for dry needling.

The following language was proposed:

64B17-6.008 Minimum Standards of Practice for Dry Needling in the Practice of Physical Therapy

(1) For the purpose of this rule, “dry needling” is a skilled technique based on western medical concepts performed by a physical therapist using apparatus or equipment of filiform needles to penetrate the skin and/or underlying tissues to affect change in body structures and functions for the evaluation and management of neuromusculoskeletal conditions, pain, movement impairments, and disability.

(2) The minimum standards of practice for dry needling in the practice of physical therapy shall include competence demonstrated by successful completion of education that includes the subject areas listed in the following paragraphs, and that is accredited, sponsored, or approved by the Commission on Accreditation in Physical Therapy Education, the American Physical Therapy Association, the Florida Physical Therapy Association, the Federation of State Boards of Physical Therapy, or any branch of the United States Armed Forces:

- a. Evidence-based instruction on the theory of dry needling practice; and
- b. Selection and safe handling of needles and other apparatus and equipment, including hygiene and infection control pursuant to relevant standards of the United States Centers for Disease Control and Prevention or the United States Occupational Safety and Health Administration; and
- c. Dry needling indications and contraindications; and
- d. Anatomical review for safety and effectiveness as it applies to dry needling; and
- e. Psychomotor skills needed to physically perform dry needling; and
- f. Postintervention care, including an adverse response or emergency.

(3) The education shall include a face-to-face component with interaction with the course instructor and an in-person examination of cognitive and psychomotor skills related to dry needling.

(4) A physical therapist who performs or offers to perform dry needling shall supply the Department, upon request, with written documentation of his or her competence to perform dry needling.

(5) A physical therapist shall not delegate the practice of dry needling to a physical therapist assistant, unlicensed personnel, or any other person who is not a physical therapist.

MOTION: After discussion, Dr. Tasso made a motion to accept the proposed language and directed Board Counsel to move forward with rule making authority. The motion was seconded by Dr. Petraglia and carried 5/0.

MOTION: Dr. Donald made a motion to find the proposed revisions do not have an adverse impact on small businesses. The motion was seconded by Dr. Tasso and carried 5/0.

MOTION: Dr. Tasso made a motion to find the proposed revisions will not be likely to directly or indirectly increase regulatory costs to any entity (including government) in excess of \$200,000 in the aggregate in Florida within one (1) year after the implementation of the rule. The motion was seconded by Dr. Donald and carried 5/0.

MOTION: Dr. Tasso made a motion that a violation of this rule, or any part of this rule, does not constitute a designation of a minor violation. The motion was seconded by Dr. Petraglia and carried 5/0.

There being no further business, the meeting adjourned at 8:30 p.m.
